FEATURES

Simple elegance - all cables are hidden within the column.

Strong, secure fixing - twin wall brackets with multiple fixing points, all hidden behind the column.

Enhance the experience further with on-board accessories - including extra deep wall brackets, sound bar mount, video conference camera mount, anti-crush bar, laptop shelf, laptop secure wall mount, floor plate, Apple TV and Intel NUC.

SPECIFICATION

Vertical range and position -

500mm of electronic vertical movement

Mount size - universal brackets for VESA

mount sizes up to 800mm and 440mm or 600mm high.

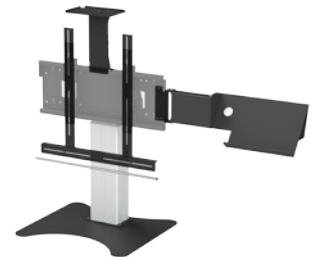

Please specify when ordering.

Floor to centre of mount

840 - 1340mm

Construction - high quality steel with a reliable electric motor

Warranty - 5 year return to base warranty

A stylish, single column design with near silent telescopic movement (500mm of vertical travel) that includes integrated (and hidden) power distribution as standard.

This mount has a very small footprint, seamlessly blending into its surroundings. It's also totally secure thanks to the twin wall brackets located on the main column.

Additional function and control is tailored to your needs through a range of accessories. Standard models have a maximum screen size of 130kg and 86".
